Welcome

We welcome Liverpool Reserves to Burnden tonight for the first time since January 1984.

Liverpool finished last season's campaign in fourth position and this only goes to emphasise what a difficult start the Wanderers have had in facing three of the top four clubs already at Burnden.

In our last game, against Nottingham Forest, three goals in a seven minute spell just before the interval gave the visitors a commanding lead. Chances came and went for the Wanderers with a spectacular shot from Paul Comstive, seven minutes from time, being the only reply.

After tonight's game the Wanderers face Manchester City at Maine Road, on the 1st October, whilst the next visitors to Burnden are Coventry City on the 9th October.

Scorers to date: all with one goal each:

Mike Jeffrey, Mark Patterson, Scott Green,
Paul Comstive.

The Last Time We Met

11th January, 1984.

BOLTON WANDERERS 1 - 2 LIVERPOOL

A couple of defensive errors cost Bolton dearly as they looked to avenge a 6-0 defeat at Anfield from earlier in the season.

Liverpool had the better of the early chances with David Hodgson and Ronnie Whelan going close. For Bolton it was Dean Roberts who tested 'keeper Bob Bolder with a low shot after he had got the better of Gary Gillespie.

In the 42nd minute the Wanderers went in front with a superb individual goal from George Oghani. He received the ball on the left flank and cut in to beat both Ken De Mange and Gillespie before sending an angled shot past Bolder.

Liverpool lost Phil Thompson through injury at the interval but they equalised five minutes after the re-start, De Mange scoring after a David West cross had eluded John Platt.

The winner came in the 70th minute with a West cross again causing problems in the Bolton defence and Ian Fairbrother headed home.

The Bolton team was:

Platt, Davies, Snookes, McGovern, S. Darby, Phillips,
J. Darby, Crookes, Roberts, Booth, Oghani.

Sub: Gautrey for J. Darby.
